

CAFE - Cork's Amazing Flute Ensemble is a flute ensemble for amateur and professional flute players based in the MTU Cork School of Music, Ireland. Open to any flute players of about grade 6 standard and above, CAFE meets once a week during school terms.

As the name suggests, the emphasis is on sociable music making and providing an opportunity for informal and non-competitive playing.

We play a wide variety of music - from mambo to musicals, classical and contemporary, originals and arrangements, also with piccolo, alto and bass flutes and sometimes harp and percussion.

Past performances include the Sounds for A Safe Harbour Festival, Midleton Arts Festival, Cork Lifelong Learning Festival, Nohoval Christmas Concerts, Irish Cancer Society's Paint It Pink campaign, Christmas for SVP, Pieta House Voices at Christmas and recording a CD with Cork Community Project.
